

DEMOCRACY AWAKENING 2016

RISE UP FOR DEMOCRACY D.C. APRIL 16-18
DemocracyAwakening.org

WE NEED YOUR VOICE

Thousands of people are mobilizing in Washington, DC this spring for Democracy Awakening to demand a democracy where every vote is heard and counted and all Americans have an equal voice. Failing to hold a hearing on a Supreme Court nominee, failing to hold a hearing on voting rights, failing to move forward on money in politics reforms – **Congress is failing our democracy and needs to hear our voice!**

Saturday, April 16 – Teach, Learn, Transform

Saturday will feature teach-ins, workshops and non-violent direct action trainings by powerful leaders from around the country who will inspire us as we build a movement to fight back against attacks on democracy. We'll have a cultural hub where folks can gather to create art and inspire change. Saturday night will feature a large event to bring us together in the lead up to the Rally for Democracy.

Sunday, April 17 – Rally for Democracy

Join thousands of people in a rally and march at the U.S. Capitol, where we'll mobilize en masse to call for solutions that protect the people's right to vote and prevent our voices from being drowned out by big money. Non-violent direct action trainings will follow in the lead up to the Congress of Conscience day of action.

Monday, April 18 – Congress of Conscience Day of Action

Join activists on Capitol Hill for a day of mass civil disobedience and advocacy to demand a Congress of Conscience – one that stands up for democracy rather than stands in its way. We'll meet with elected officials to demand fair consideration of the nominee to fill the Supreme Court vacancy and call for their support of critical voting rights and money in politics reform measures. In addition, advocates can choose to participate in direct action activities.

Can we count on your voice? Let us know if you can join us this April.
